◀ IMAGINE BEING HERE

The Ringha Tibetan Village by the Banyan Tree in China's Yunnan Province is set against a 'backdrop of the enchanting Temple of the Five Wisdom Buddha and faces the spectacular Ringa River'. A trip here will include varying treks to nearby temples, palaces and monasteries that have witnessed Tibet's glorious past. The property will feature a blazing fireplace, library, bar lounge and restaurant as well as the 32 luxurious Tibetan suites and lodges. Opens September. www.banyantree.com

▲ SLEEP OVER HERE

Decléor Institute

SINGAPORE

As the flagship for French brand Décléor in Singapore, Décléor Institute highlights the holistic approach to beauty and the complete array of treatments and products available from the brand.

Located at the arcade of the elegant Raffles Hotel, the Institute provides a tranquil sanctuary in the heart of the city for one to be pampered with Décléor's specialised beauty and wellness treatments in an environment that is solely focused on relaxation.

Renowned for more than 30 years as the specialist in Aroma-Skincare, Décléor's 100% pure, 100% natural and 100% effective essential oils are the fruit of scientific expertise acquired over years of intensive research.

Far more than a simple facial or body treatment, Décléor treatments each offer a unique beauty ritual, revolving around the same skincare philosophy of the ideal conditions for relaxation based on original manual techniques. Choose from a comprehensive range of facials, body treatments and waxing services, with each treatment combining the healing and restorative powers of aromatherapy with soothing healing touch.

Every Décléor facial begins with a relaxing back massage. Your

therapist will also pamper you with the Décléor signature face massage and acupressure which will restore your skin's energy flows, easing away fatigue, stress and tension. To complete the heavenly state of total relaxation, your hands will be massaged during the application of the mask best suited for your skin type.

Decléor body treatments – the Aromatic Spa Mosaic – offer a completely personalised approach, with each treatment individually formulated to provide the best possible results your body needs. Whether you require relaxation, detoxification, toning or an energy boost, Décléor offers exquisite aromatic massages, aroma body envelopments and other specific treatments targeted at body areas.

Once you have experienced this holistic approach to beauty and wellbeing, you will understand why Décléor treatments are so unique: relaxing, high performance and highly personalised. They are truly delightful moments that offer you noticeable, immediate and lasting benefits.

Discover a complete mosaic of professional face and body treatments and be left in a delectable state of inner calm whilst radiating beauty.
